

EHR:

Google Workspace vs. SimplePractice

Level Up Practice
Series

SimplePractice Cost Breakdown:

Essential plan (only 1 clinician allowed)

-\$828 per year

- This does not include extra charges for insurance billing or taxes.
- You do not have access to all features Simple Practice offers to their customers.

Plus plan (required plan for group)

-\$1,188 per year for one clinician plus \$59 for each additional clinician.

- This does not include extra charges for insurance billing or taxes.

For example:

Group with 2 clinicians - \$1896 /year Group with 3 clinicians - \$2604 /year

Group with 4 clinicians - \$3312 /year Group with 5 clinicians - \$4020 /year

Google Workspace EHR Cost Breakdown:

\$264 per year (\$22/monthly) for Google workspace

\$348 per year for Paubox

\$299 per year for Greinders

The upfront cost varies depending on
adding Greinders and/or Paubox

The difference when adding a clinician is \$22 per month for Google Workspace vs. \$49 per month for SimplePractice plus additional billing costs and taxes.
